

**BAD AXE PUBLIC SCHOOLS
PROCESS TO ADDRESS QUESTIONS/CONCERNS**

It is the desire of BAPS to communicate accurate information and answer any concerns by discussions of an informal type among the interested parties as quickly and efficiently as possible. Many questions are easily and accurately answered by communicating directly with the staff member in charge of the class, team, or program. ***If a question or concern arises please contact the staff member who is most directly involved with the issue.*** Like many organizations, a chain of command exists in schools to assist parents and community members with addressing their questions and concerns. If you are not satisfied with the information received please follow the process listed below. Contact information such as phone numbers and e-mail addresses can be found on the district website- www.badaxeps.org
